Linda - thanks for the phone call regarding this control. I called 6PD and told Margaret that I had assigned it to them in error.

This email will be the official tasking to 6EN for respond and for 6RC to provide input as needed. Should the tasking need to be responded to by Headquarters - please forward that to me in an email. Your initial due date is March 5, 2013 - please let me know who the staff writer will be by Feb 21, 2013. There is a control folder prepared at H:\Correspondence-Controlled\R6-13-000-1867 Mult Citizen - Request Legal Action Against Range Resources.

Thanks
Darlene
